Club Picnic & Torunament Aug. 13th

We will hold our annual Club Picnic and Championship Saturday, August 13th. We will eat at 1:00 p.m. The Club will provide the meat. Club Members with last names beginning A-M are to bring a salad or side dish, and last names beginning with N-Z are to bring a dessert. The Club will also provide the soft drinks and condiments. This a family affair, and there will be activities for non-shooters.

You can shoot before or after the Picnic. At least two persons must shoot together in order to score. The club championship shoot will consist of a little of everything. There will seven (7) targets of each of the following rounds: field, hunter, animal, and safari. This will be a great opportunity to enjoy a great lunch and a fun shoot.

This has always been a fun event for those who turn out. Even if you're getting ready for hunting season, the course will help improve your form and help your range estimation. Just screw on those field tips and come on out. Winners of each class will be awarded a plaque at the annual club banquet in January. For more information, contact Dennis Jenkins or Don Morrison.

ARCHERY for KIDS

At the Thursday August 11th Member Meeting and Drop-in Archery Instruction Program, the Club will be hosting a free pizza feed and kids instructional shoot from 7-8 p.m. Members are welcome to bring their kids to the range for this fun event. An evening of archery and pizza — what a great combination!

Thursday 3-D Fun Shoots

The Pro Shop, Great Northwest Archery, in cooperation with the Club, is sponsoring an every Thursday 3-D Fun Shoot at the range. The fee is \$8.00 for 28 targets (14 animals from two positions). Shoot anytime during the day or evening. Register at the Pro Shop. Great Northwest is using their own animals and doing the setup and take down.
